JOB POSTINGS

**Never worked in a professional public practice accounting environment ?
Then be prepared for a significant learning experience.**

**With the right work ethic, appropriate education and acceptable prior experience,
we will offer above average salaries
. . . and teach you what you don't know
while enhancing what you do.**

Sorry . . . there are no positions available at present.

(As we are a consistently growing firm, a complete résumé with references will always be accepted, reviewed and considered.)
